

The Spirit Books bring together Susan's love of the book and her response to the natural world. Using found materials to cradle wordless books of textured papers, beads, stitching, and pinpricked designs, she links them to the long-standing tradition of books as testaments of faith and belief.

TABLE OF CONTENTS

1. INTRODUCTION

[INTRODUCTION PDF](#)

2. EARLIER WORK

Susan's entry into the world of visual art came through calligraphy. After years of interpreting the words of others, writing her own texts led her to the more intimate form of the book.
